

A stylized white lightning bolt or root system branching out against a dark background. The central element is a thick, vertical white line that splits into numerous thinner, branching lines that spread outwards and upwards, resembling a lightning bolt or a root system. The background is a dark, textured grey.

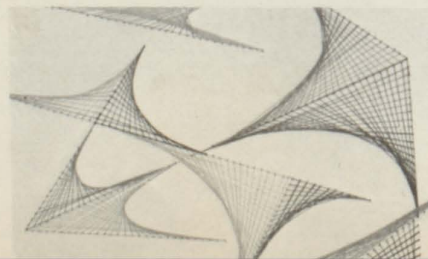

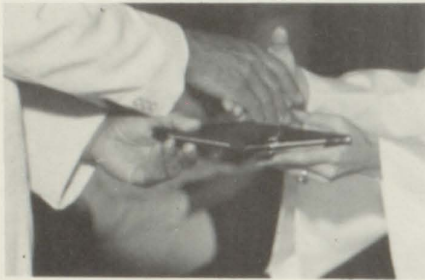

Valhalla

It rained today.
Forcefully, but with tender
 grace it rained.
You and I hid ourselves away
 underneath gray clouds
And watched,
And seemed,
Together as one.
While the rain washed away the
 grime
 from the grass,
 from the leaves,
 from the streets,
 from our minds.
And for that while
We felt
Truly innocent.
We beheld a real happiness
And it will rain
 again.

REFLECTIONS —

in the Early Morning Rain

Reflections of yesterday linger thoughtfully
in our minds,
Even while tomorrow's rails bid us ride.

To go on from here I can use words — but, they
don't say enough . . .

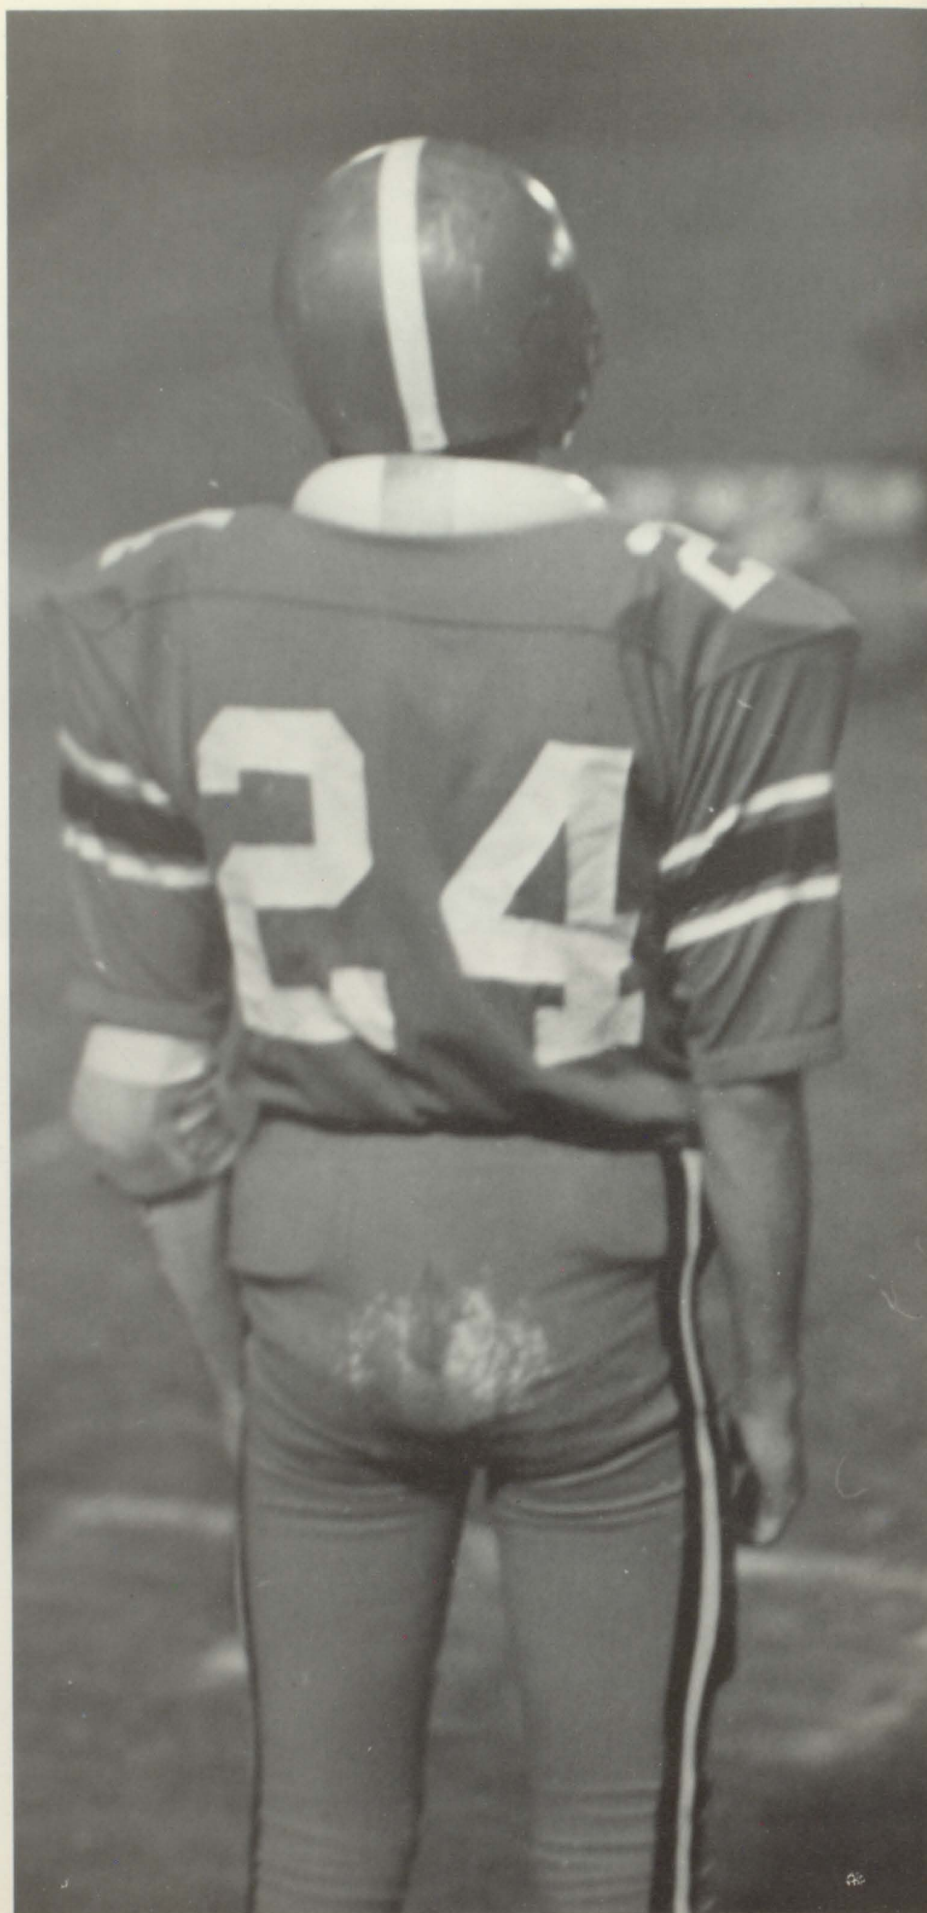

Do we know ourselves?
Not really, but we're
learning.

I need a while more with
you just now, there are
some things
I don't yet know.

You build by pulling
down the rubble.
But first you have to
have a plan.

There is no wrong side
or right side.
No misery in not being loved,
only in not loving.
I've learned these truths myself
to tell them to you now.

DR. JULIUS GHOLSON, Superintendent

Dr. Gholson has served for the past twelve years as superintendent of the Bibb County Schools. At the end of this school-term, Dr. Gholson will retire from this position. The school system will miss his never ceasing devotion to make this system the best in Georgia.

I must be myself.
A sum of many different parts.
I've collected at my own will.
I'm put together my own way
with the help you choose to
give.
I've strived to be different,
yet, never indifferent.
The result can only be,
and is,
only me.

2-AAA Region Champs

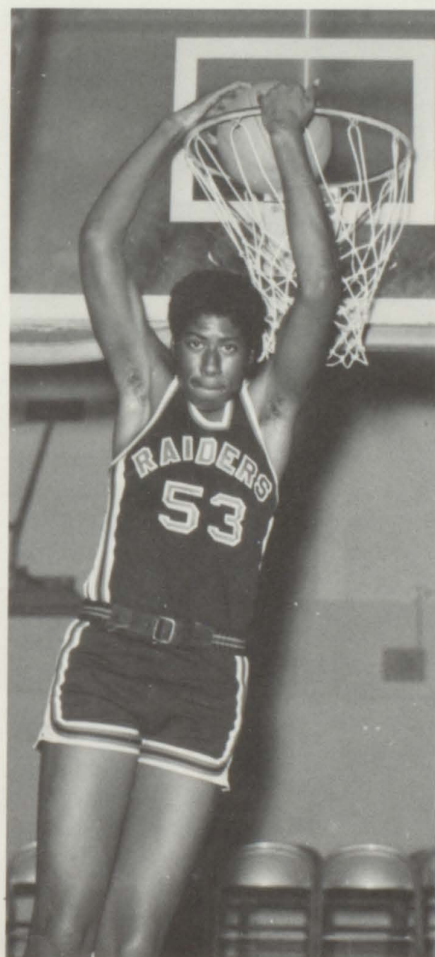

ASSISTANT COACH McLEROY

Pieced together from two great teams of old
Came a group which was poured from a championship
mold.

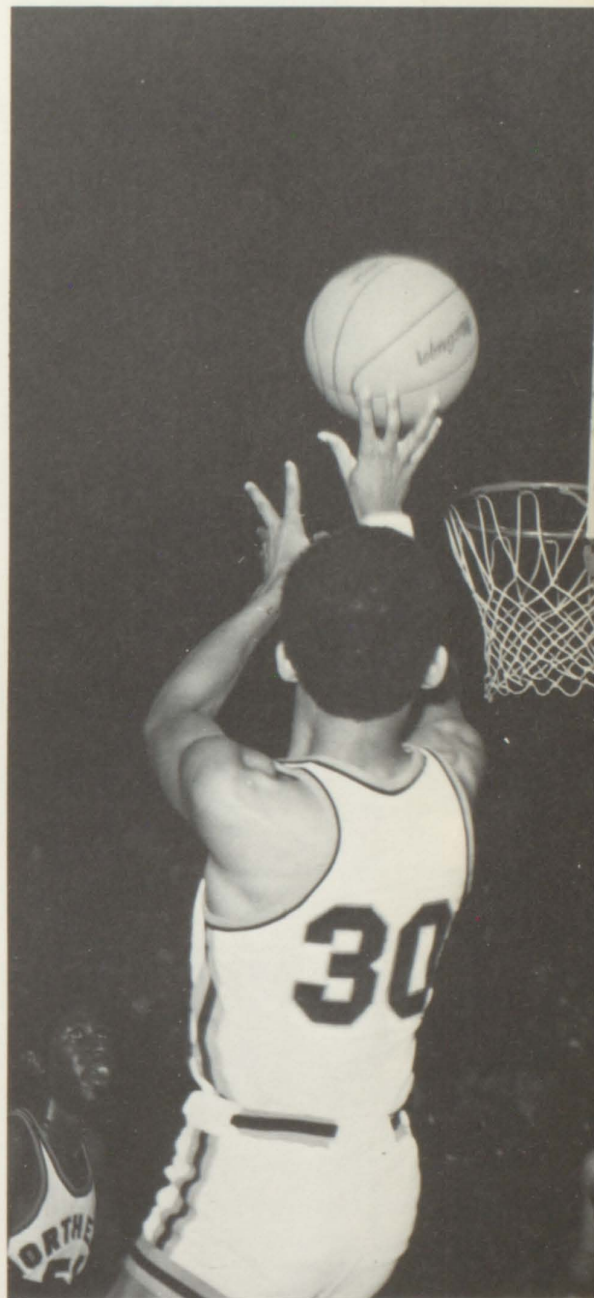

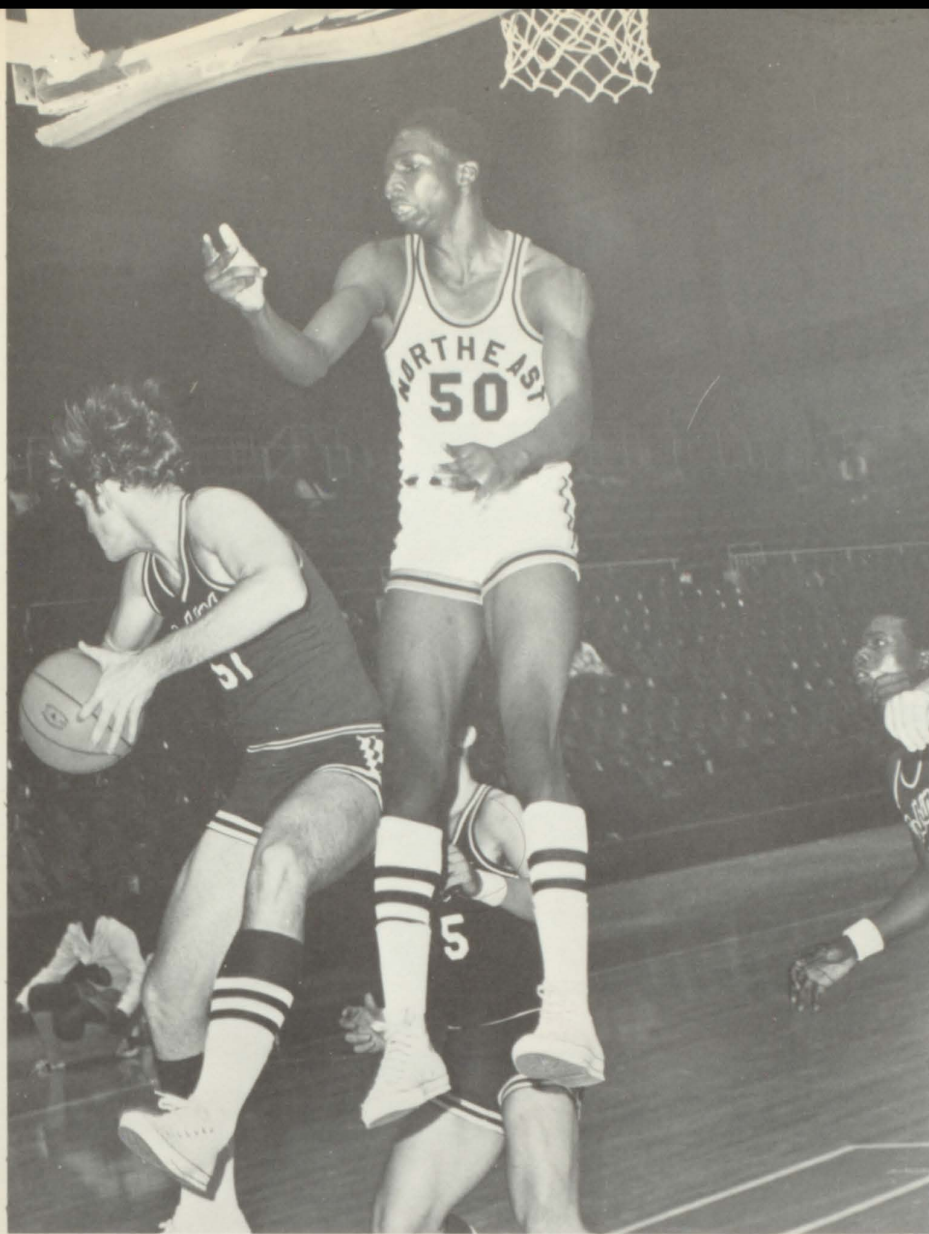

Under the direction of coaches McLeroy and Deaver
Northeast High School had caught the winning fever
They burned out the eyes of all their foes
And for anyone to challenge them, they had to
be on their toes.

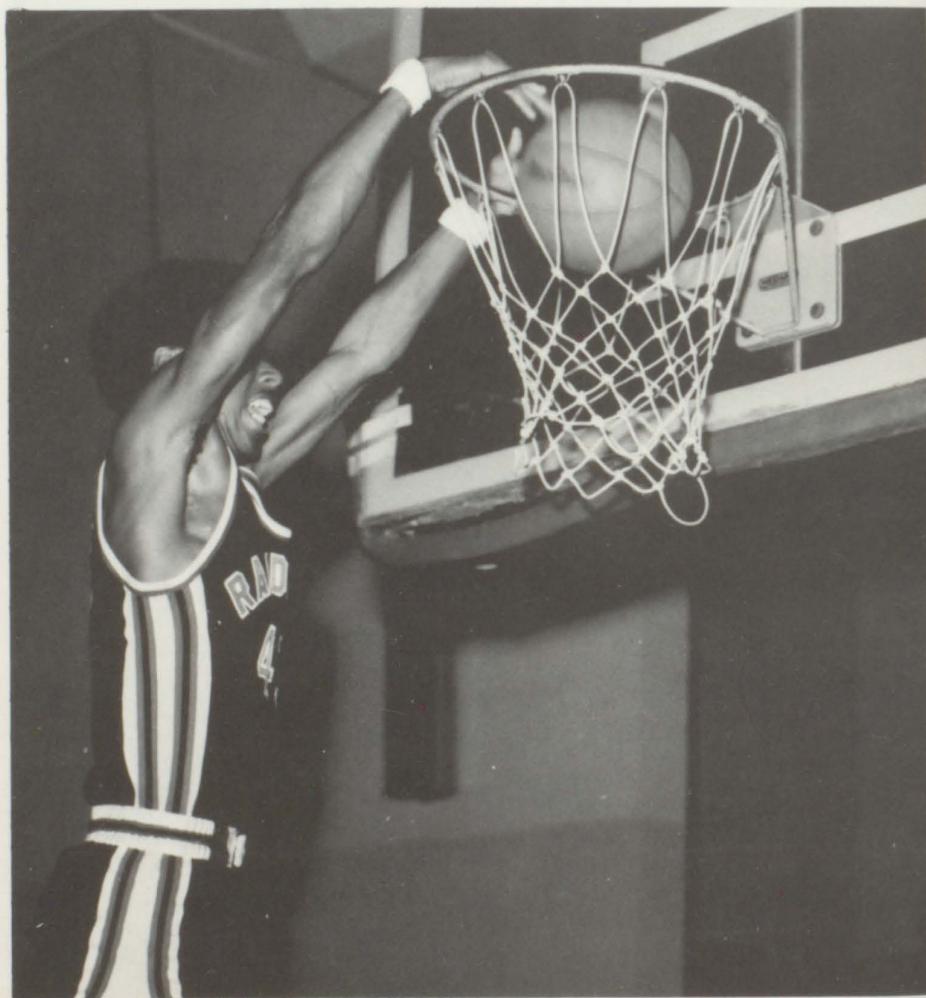

The "Lily plus Four" as they were called
Even made "big Fessor" look on them with awe.
So this is the story of our RAIDERS today
As they now proudly reign as champs of 2-AAA.

But the times have changed us

A NEW SCHOOL IS BORN Tele Path

If you find yourself just sitting around the house every night, don't despair—your television set will be providing good entertainment with many specials coming up. Don't miss them:

November 27 & 29 — A two-part 90 minute special, "To All the World's Children," a story about the United Nations Children's Fund.

November 29 — A history special, "Swing Out Sweet Land," starring Lorne Greene, William Shatner, and Hugh O'Brian.

December 2 — The National Geographic Society presents "Ethiopia: The Hidden Empire."

December 26 — David Brinkley narrates a one hour show from Washington. It will be a discussion with junior high and senior high school editors about the top news stories of 1970.

December 27 — The First of Leonard Bernstein's Young People's Concerts.

January 15 — Ivan Tors presents a documentary entitled "Elephant Country."

January 24 — Peggy Fleming swings with Jean Claude Kelly.

Bibb System Enters New Era In Education

A new era in the Bibb County School System began this year with the desegregation of all its public schools.

The initial change in the high schools took place the final five days of the 1969-70 school term. This enabled a much smoother start in school this year.

Under the new plan, three large high schools and one vocational school were formed in Bibb County; namely, Northeast, Central, and Southwest High Schools. Every school has a supervising principal with an associate principal in charge of each individual building in the high school.

Each complex is close to the 60-40 white-black integration ratio as dictated by the federal court and the situation seems to be working quite smoothly.

The supervising principal for the Northeast Complex is Miss Ann Henry. Mr. Bill Meeks and Miss Eleanor Hurley are in charge of the Mark Smith and Lasseter buildings, respectively. Last year, Miss Henry

was the principal of H. S. Lasseter High School, Mr. Meeks, of Mark A. Smith High, and Miss Hurley of Alexander III Elementary School.

The Northeast Junior High is composed of two buildings, building A and B. Building A is the old Appling Junior High School and Building B is the old Appling Senior High School. Mr. Burney Lester is the principal of the A building and Mr. Harry Thompson is the principal of the B building.

Approximately 745 students have enrolled in the Lasseter building and 780 in the Mark Smith building. Together with the 1203 students attending the junior high buildings, a total of 2729 are attending the Northeast Complex.

Also for the first time, Bibb County's junior high schools are co-educational. To the delight of some senior high students, several coed classes have also been formed in the senior high division.

Each school is off to a good start and many hope for even a brighter future.

August 31, 1970, was the opening day for the students of the new Northeast High School. Excitement, curiosity, and tension filled the air as each student began another fun-filled year of learning.

Everyone knows how and why Northeast High School has come into being. The question now, of course, is what will become of it.

No one can foresee the future but every student can and must help to make it a bright and successful one.

Northeast is now functioning on its own two feet. Won't you do your part in helping to make it walk?

Just as countries watched the new American government after the Revolution to see if it would work, people are watching Northeast to see if it will work, also. And just as our forefathers made the national government work, so we can make our school government work.

As the students of North High School ramble in the halls of their school, they often hear remarks praising the efforts of principals, teachers, and football players. The Northeast Golden would like to spotlight the jobs accomplished by some of the very important people, the student monitors of the school.

I do my thing and you do
 your thing
 I'm not in this
 world to live
 up to your expectations
 And you are not
 in this world
 to live up to mine
 You are you and I am I
 And if by chance
 we find each
 other, it's beautiful.

With then the Seed of Wisdom did I sow,
And with my own labour'd it to grow;
And this was all the Harvest that I
reap'd —
"I came like Water and like Wind I go."

In the end
the songs I will sing
will be of my own invention,
And, perhaps,
someone will understand me.
